All Nevada State Nationals and Nevada State Citizens are encouraged to attend CCA meetings on a regular basis. We are the strength that is needed to move our efforts forward successfully.

While participating in CCA meetings proper meeting etiquette is required, policies as outlined above, and **Meeting Decorum** shall be followed at all times.

### **Voting Limitations:**

CCA meeting participation is always encouraged but there are limitations and exceptions to participation as well as voting:

Members in disciplinary modes of presentation may vote but may not comment per the disciplinary rules.

Voting shall be in person either by physical meeting or by video or phone. A special phone only roll call can allow participants to vote by phone so long as you are identified.

Those who are employed by the Federal Government or the Federated State of State Government should, generally speaking, be participating in their own District Assembly, and while they are welcome as State Nationals to attend public meetings of the State Assembly and share their opinions about in-State issues, they are not eligible to function as State Citizens and are not eligible to vote on or influence interstate decision-making until they retire or otherwise sever their obligations to the Federal Government.

**You cannot vote or act as State Citizens in our State Assemblies while you are adopting foreign citizenship obligations.** You can participate in discussion but may not vote in your local county government regarding local issues as a State National Dual Citizen. That can mean: State National/U.S. Citizen, State National/Municipal citizen, State National/Israeli, State National/Reign of the Heavens, State National/LIFE FORCE, or State National/United States of North America, et alia. All of these foreign "Dual Citizenship" obligations automatically knock you out of position to enjoy your American status and subject you to the foreign "law" of these incorporated entities. 8

**Please submit in writing any considerations, documents for meeting agenda three business days prior to the meeting. It is up to the Assembly if they would like to bring the considerations forth and/or table them until a later date no matter when they were submitted.**
