#### **Concerning TNA transfer of assents away from Michelle Schmidt Treasurer**

Rockie Roper has agreed to a 3<sup>rd</sup> party Ombudsman intervention. A request was received 4/6/2025 through the Ombudsman made by SC Sue Hulsebus to transfer all TNA Assets to Sue Hulsebus, State Coordinator.

In the third week of March 2025, State Treasurer Michelle Schmidt asked for time to heal, and time without recourse was approved by a state committee containing Sue Hulsebus concerning Treasury.

Michelle Schmidt is still the active elected Treasurer of TNA. Michelle has signed a Jural Assembly Agreement.

Now SC is actively requesting control of all state assets as of 4/8/2025 be transferred to herself.

Therefore, Rockie Roper has proposed a Chain of Custody Agreement proposed April 8, 2025, to vote on transfer of the assents to SC which has had full control of the assets for the protection of the assets belonging to the entire TNA.

*Motion 25.4-1: In light of the foregoing, we advise on the matter of transferring the assets. (Yes) (No) (Abstain)*

*Motion 25.4-2: We adopt, with or without changes, the proposed Chain of Custody Document for use by the Assembly now or in the future according to a vote by the Assembly. (Yes) (No) (Abstain)*

#### **In the matter concerning the Ombudsman for TNA**

John Butruccio is a trained Ombudsman sanctioned by The Federation. He was enlisted around 4/2/2025 at no charge to arbitrate the matters with 100% privacy concerning TNA for completing the mission of the Four Pillars reconstruction by a Republican form of government with peaceable assembly.

The current process is the Ombud has reached out to all parties involved with ongoing issues facing the Assembly, which are also going on all across the country, for a variety of reasons. Ombud has interviewed parties he believes are Germane to a resolution and Go Forward Plan for TNA. All the requested documentation and video/audio necessary for his report has been received and are being collected by him.

-Open public forum for questions from Assembly

*Motion 25.4-3: When the Assembly receives written instruction and updates and reports from the Ombud for public dissemination, TCCNVA will publish them in the Meeting Agenda (Yes) (No) (Abstain)*
