## Background on the change of 4 Pillars

Living men and women who bear witness to facts and truth are standing in honor when proclaiming these truths;

; Federation: The Nevada State Assembly Land and Soil Jurisdiction, The United States of America, unincorporated is only a temporary interface established only to assist all Counties to stand up.

; County: The Clark County Nevada Assembly, The United States, Unincorporated (a union nation of towns populated by People) possess all authority and have a public duty to exercise it,

; Counties elect delegates/Electors to oversee the Federation State Assembly and all its functions, and any form of subversion of a County and its People is a grievance to redress through due process beginning with private communication .

Motion

Carlos Guzman

Clark County recognizes that a written communication from a newly registered People Carlos Guzman on April 23, 2024 stating he believes in harmony and has made an unsolicited written offer to the Assembly by and through the County Coordinator “*to support the formal stand up of our assembly, especially with our counterparts in the defacto government*” is not accepted until it is put before TCCNVA since The Clark County Nevada Assembly which is and has been in the process of peaceably assembling, providing a De Jure republican form of government to stand up the County, has been continually harassed by a rogue The Nevada Assembly to be prevented from doing so and to thwart all these efforts. *Loquendum ut vulgus, sentiendum ut docti. We speak as the common people, we must think as the learned. 7 Co. 11.* **Motion: TCCNVA does not and will not do anything with the defacto government as Carlos Guzman recommends and TCCNVA does not have counterparts in a defacto government as there is one TCCNVA and TCCNVA is the only lawful government in Clark County and is being restored as such.**

**Motion to reject written offer by Carlos Guzman will reject his offer and declare it null and void by your vote.**

**Next in person meeting we will try and have a recording secretary there to sign any documents, record and also sign jural assembly agreements.**
