6:30 pm – 7:00 pm Business Meeting Agenda

Call to Assembly: by a TNA

Bivens Decision:

Purpose for meeting or meeting name: The Clark County Nevada Assembly

This meeting is called in honor of the people who are owed a republican form of government and peaceably assemble to restore their government. Your mindful comments are welcome.

We welcome any additions you wish to have placed on the agenda. Be it known we believe in a transparent government and a vibrant discourse, therefore if you speak in public and are not in honor you can be held liable for your discourse and actions.

Prior to the meeting please read the following information and be prepared to discuss them:

- Treasurer Report of Restored funds
- Denise Mraz named Banking Liaison
- Text chain sent out message about Anna' announcement on 5/22 in the link. **Anna discusses the funds will be available in, she thinks, about a month away (at 1:38), in the May 22, 2025 coordinator call (at the end, about the last half hour) and Rockie gets his answer on being recognized as the only assembly on the state and county (47M-59min):**

- Point of clarity: For the few taxpayers among the ASN, if you receive a \$5000 payout check or any government dole checks, you are encouraged to write above your endorsement the following: *Accepted for value and towards what I am owed* . Please be advised that I had written in the model report vol 3 this week ASN cannot take these payments. Well this is true, and untrue. If you are ASN you should not have to pay a tax, because a payment puts you right back into contract with foreign governments. This may nullify your ASN status in making claims future exempt from levy or damaging your political status. But perhaps you know someone who is still not status corrected, that limiting endorsement above their signature will definitely help them. Sorry for any confusion.
