

## The Nevada Model County Rescue Mission Report: Four

Published May 30, 2025

The Clark County Nevada Assembly, the Nevada Model County is building the Nevada Union State Assembly (comprised of counties soil jurisdiction) where all the authority of the people rests.

There is also a State of the Union Assembly Sea and Land (which derives its power from the people on the county), that is the international business connection to the United States of America, Unincorporated and the Federation Treasury. It is being run by federal government employees active/retired deliberately misleading the People.

We on the Soil Jurisdiction County neither require or request any permission to do anything, ever. We on the Soil, we created Assembly Sea and Land, the creation is never greater than the Creator.

Nevada has been ground zero for corruption in the assemblies from the original set up in 2019. The Federation Treasury Fiduciary, Anna Maria Reizinger, has had our same problems everywhere, but to a lesser extent or reduced passive aggressive tactics. Nevada was going to be the new USA banking center (QES/QFS) had Anna not stopped what they were doing. You are seeing and experiencing the residual effects of complete annihilation by Sea and Land of the American Way of life necessary for defacto who have seized control.

Denise and Rockie have been pioneering soil juris county building on your behalf, Nevada Union State Assembly Soil Jurisdiction, for The United States, and the slings and arrows we are taking are extreme.

The PKTF is actively and currently involved in soil jurisdiction authority training and logistics. Ultimately each people will choose how to direct their time and energy. Denise and Rockie and all those who are assisting them are part of the sovereignty building effort of the authentic people, you, based form of government where the sovereigns, you, control its public mission through self-governance.

<http://www.paulstramer.net/2025/05/basic-understanding-and-bank-contacts.html>

A request to open the GFG channel for prosperity union to Rockie Roper State Coordinator Chair has been sent and received. The Nevada Assembly and The Clark County Assembly are requesting the bank reconsider the delayed channel reopening so our members would not be required to support the government with as much of their funds.

Rockie worked directly with Anna to reopen the Coordinator Clear Channel and supply all the documentation needed.

Banking Liaison Denise Mraz in accordance with Q2 directives initiates Land Commerce for outreach, please see below. This initiative requires 6 volunteers to assist with development, distribution, recruitment.

### **Global Family Group based Land Commerce Plan**

This is two projects plus a marketing message Loan to Grant:

- A) Establish a new Business System which is based on AFD and has a GFG presence.
- B) Existing Business System adds/ incorporates AFD and GFG and continues normal operations.

*Outreach is formulating a Land Commerce Conversion Program that names the business on GFG thru an ASN, Establishes an AFD channel for the business, demonstrates how to deal with the bank, how to handle employees, and employee benefits, tax advisement, insurance, and bonding, licensing, regulatory agencies . This Commerce Way Forward will succinctly address the concerns and questions of business owners to evolve land commerce and capitulate*

*This builds the ecosystem for Prosperity Union funds and Prosperity Accounts. A natural “come along side” progression of raising awareness for how to work with AFD based economy.*

Precious metals are fluctuating so market pricing based on value will be a value added system.

This is a second project affiliated with the above projects and also will be addressed in the Prosperity Union of GFG

C) Loan to Grant Program – Humanitarian Projects with milestones met and outlined to exceed agreed expectations of loan request participants.

Model County recruitment efforts will springboard local business outreach to develop new outlets for AFD and invite new ASN. The ombudsman service is for anyone in the state since we have that as a service of Model County from PKTF.

### CONCERNING RECORDING NEW MEMBERS & ASSISTANCE WITH LRO

On May 29, Rockie stated in a meeting that recording secretaries need to assist him with the listserve and also sending new ASN to the outreach email So they can be on boarded to the county and the state assembly. Your right to Assemble is violated when you are denied any assembly of other Nationals in your county or state. So, we please ask recording secretaries to connect new members with a quick email to

[outreach@theclarkcountynevadagov.land](mailto:outreach@theclarkcountynevadagov.land)

so there is a point of contact. Please note you will be placed on the email list as you are a fiduciary, and we have an obligation under public duty to inform you.

### Language in Meetings: From Confrontation to Heart-Based Communication

Harmful / Confrontational Language	Heart-Based / Respectful Language
You're wrong.	I see it differently. May I share my perspective?
That's a stupid idea.	I'm not sure that approach works for me. Let's explore other options.
You don't understand.	Maybe we're seeing this from different angles.
That's not how we do things.	I'm curious how your suggestion might work here.
Why didn't you do that?	Is there a reason that didn't happen yet?
You always mess things up.	I've noticed a pattern that might need attention.
Calm down.	I hear you. Let's take a moment and breathe together.
You need to listen.	May I share something and then hear your thoughts?
This is a waste of time.	I feel we might be off track—can we revisit the goal?
You're being difficult.	It seems like we're not aligned—how can we find common ground?
Nobody agrees with you.	Some may see it differently—would you like to explain more?
That's not my problem.	How can we support each other to move this forward?

#### Question

How do these assembled Counties who are doing it on their own know that a Federation even exists and that they need to tell the Federation anything since Americans can declare their status by other means other than through our State Assemblies, like in the newspapers and the local County Recorders offices, both of which are not connected to our State Assemblies at all?

#### Answer

What Anna said was the County is the highest government and the question is does the county recognize the federation as their government body. Watch the video she made it clear we do not need to ask anyone to run our county governments. Once the county is up and running it is up to the counties in the state on how they say who their state and federation government is. This is what I got from what she told me in the coordinator training. I may need to watch again but that is how we learn.

Are County Assemblies organized using County Coordinators vetted by the Federation or do Counties just assemble in their own right since they are the sovereigns?

This is a good question and Anna touch a little on this but was not clear on the answer.
