Issuing Authority Statement

Issued by:

??Chair for The Illinois Assembly, Joe Blow
??Militia Commander, ?? Joe Blow

Provenance Statement

As the ONLY government with provenance on the Continental United States by the authority of The Unanimous Declaration of Independence of July 4, 1776, whose civil government was restored October 21, 2017 by the Hereditary Head of State, James Clinton Belcher, We, The Illinois Assembly, established in 1818, being a Member of The Federation of States dba The United States of America, Unincorporated, established September 9, 1776, holds superior, concurrent, general jurisdiction over the geographical boundaries of Illinois to the U.S. Government and their State of State Franchise body politics.

Address the American Public

The Illinois Assembly is the organic government established by our Founding Fathers under the Northwest Ordinance and the Bill of Rights by We, the People, acting as Fiduciary Deputies on behalf of the American public by the authority of the people, for the people and by the people, consenting to the authority of government, however, limiting it's ONLY purpose to protect the people and our assets. The people include every man and every woman born on America. Our jurisdiction of American Common Law requires self-governance according to this Maxim of Law: Do No Harm and Be Harmed None.

COUNT 1: EXHIBIT B

Excerpt from Fruit from a Poisonous Tree by Mel Stamper, pgs. 59-60

Edward Mandell House had this to say in a private meeting with Woodrow Wilson (President, 1913-1921) From the private papers of Woodrow Wilson: “[Very] soon, every American will be required to register their biological property in a National system designed to keep track of the people and that will operate under the ancient system of pledging. By such methodology, we can compel people to submit to our agenda, which will affect our security as a charge back for our fiat paper currency. Every American will be forced to register or suffer not being able to work and earn a living. They will be our Chattel and we will hold the security interest over them forever, by operation of the law merchant under the scheme of secured transactions. Americans, by unknowingly or unwittingly delivering the bills of lading to us will be rendered bankrupt and insolvent, forever to remain economic slaves through taxation, secured by their pledges. They will be stripped of their rights and given a commercial value designed to make us a profit and they will be none the wiser, for not one man in a million could ever figure our plans and, if by accident one or two would figure it out, we have in our arsenal plausible deniability. After all, this is the only logical way to fund government, by floating liens and debt to the registrants in the form of benefits and privileges. This will inevitably reap to us huge profits beyond our wildest expectations and leave every American a contributor or to this fraud which we will call “Social Insurance.” Without realizing it, every American will insure us for any loss we may incur and in this manner; every American will unknowingly be our servant, however begrudgingly. The people will become helpless and without any hope for their redemption and, we will employ the high office of the President of our dummy corporation to foment this plot against America.”

Notice of Liability

Notice of Liability

Those making the False Claims and False Presumptions related to our enslavement are criminals under international law and global commercial law as well as Ecclesiastical Law. We wish for the total discrediting of this system of things and all Legal Presumptions attached to it. We wish for this entire system of registering babies as property belonging to Municipal Corporation franchises to be dismantled and for all claims against the property interests of the living people who naturally belong to the General Populace of each country to be disallowed. The only persons born in this country who might actually adopt British Territorial Citizenship on a limited and temporary basis are the mercenaries serving in the US Armed Forces, and the only ones who might similarly adopt the status of citizens of the United States are the Federal Civil Service Employees. Nobody else would receive any equitable consideration for their losses of property, guarantees, and other benefits, and would have no reason to voluntarily adopt these foreign citizenship obligations.

Anyone caught using or soliciting, seeking to subject, entrap, ensnare, or otherwise encumber American babies or adults via this foreign Legal Scheme without full disclosure so as to impersonate and denigrate and unlawfully convert the victim’s political status and identity, will be subject to immediate arrest and

prosecution under UCMJ, 18 USC 4 (513) (a), both the Hague and Geneva Conventions (as applicable), the Constitutions, and will be 100% commercially and personally liable for their acts.

18 USC 4 (513) (a) provides that: "Whoever makes, utters or possesses a counterfeited security of a State, of a political subdivision thereof, or of an organization, or whoever makes, utters or possesses a forged security of a State or political subdivision thereof or of an organization, with intent to deceive another person, organization, or government shall be fined not more than \$250,000 or imprisoned not more than ten years, or both."

This Criminal Information Notice of Liability is to inform the American Public of the harm done regarding the unequitable exchange of federal reserve notes for goods, labor and services perpetrated against the American Public and authorized by the U.S. Government:

CRIMINAL INFORMATION COUNT 2

The **Act of Exchanging Federal Reserve Notes** for performance and labor contracts, public government services, and physical products as an "equitable exchange" without full disclosure that the corporation has provided no value in the same exchange but instead has obtained access to the consumers' credit in the exchange to pay for its corporation's debts, resulting in undisclosed access to consumer credit in exchange for federal reserve notes, I.O.U.'s, is in fact and in law and in all jurisdictions, the crime of criminal consumer credit fraud and theft of credit.

COUNT 2: EXHIBIT D

Internal Revenue Service, Department of the Treasury
TO ALL DISTRICT DIRECTORS
APRIL 4, 1985.

On March 5, 1985, a charge of tax evasion was filed in U.S. District Court in Indianapolis, Indiana by U.S. Attorney George Duncan. The charges were dismissed! The defense attorney, Lowell Becraft of Huntsville, Alabama presented irrefutable evidence that the 16th Amendment to the U.S. Constitution was never properly ratified. This amendment which established the "income tax", was signed into law despite serious defects. In reality only two States ratified the amendment and ratification requires 36 states to be valid. The effect of this is such that every tax paid into the Treasury since 1913, is due and refundable to every citizen and business.

The official position of the service is, as it has always been to aid and assist the citizens of the United States. We will not publish or advertise this finding as a total immediate refund would cause a serious drain on the resources of the Treasury. For those citizens who become aware of this finding and apply for a total refund, expedite their refund documents as quickly and as quietly as possible.

A simple 1040X form will suffice until a new form is designed and printed. Advise each of your managers that they are not to discuss this situation with anyone. There will be no written communications and you are to destroy this memorandum.

The Secretary of the Treasury assures me that there will be no reduction in the workforce as this refunding activity will take a minimum of 5 years to complete. Further directions will be forwarded as the need arises.

Roscoe L. Egger, Jr.
Commissioner of Internal Revenue
