The meeting started with the goals to build the 4 pillar and what it is going to take to bring up the state and counties.

We talked about the new website and how we need a government-looking website to look official as the government in Nevada. We all need to work on getting information for the website to make it are government website. Tamara has step up and adds a lot of information to the web site. Rockie talked about adding a user section for committee work and where everyone can log into the site to get more information. There is a calendar for both the State and Clark County that will be updated with the current meetings and any other events that may go on.

Next, we talked about the Elections handbook and how everyone needs to look it over and make changes to fit what Nevada's election should look like to the public. This is one more thing for standing up we need to get done and vote on.

We also talked about how we need to get are Jural Assembly fully seated and standing to be able to stand up the state. The need for the training of the courts and

every position in the Jural Assembly to be able to run are courts and function like a real government we are.
