Re: Cease and Desist from spending in State Funds

Dear Sue Hulsebus,

I am writing to formally demand that you cease and desist from spending any Nevada Assembly State funds without a vote from a business meeting of the body politics , e.g., . It has come to the Assemblies and my attention that you and the banking committee have been spending the State Assembly funds without having a vote of the body politic. This activity constitutes a violation of Assembly member right to vote on where the funds should be spent . We require that you immediately stop spending any funds until a meeting on where the money should go. Also to confirm in writing by 10 days from the date of the letter that you have complied with this demand.

Failure to comply with this request will leave me no option but to pursue all remedies available to me with the federation, including seeking damages to the body politics. Please consider this letter a formal notice. I hope this matter can be resolved amicably and promptly.

Sincerely,
William Rockie Roper©
