CC: Kathi Kridler <[pktfassistantdirector2024@pktf.us](mailto:pktfassistantdirector2024@pktf.us)>  
Dear PKTF Liaison Team Members

I extend my warm regards to each of you as we stand together at a historic moment in the development of our American State Assemblies and their organized return to lawful service under the support and structure of the Federation. This communication formally announces the launch of Peaceful Operation Tenfold Shield and includes necessary next steps you are now being asked to help facilitate within your own Assembly body.

This message is being shared with all currently enrolled Peacekeeping Task Force (PKTF) Assembly Liaisons and Liaisons-in-Training as part of your ongoing mission. You are encouraged to carry these updates directly back to your General Assembly or Coordination Committee as your first activation task under this Pilot operation.

#### I. Peaceful Operation Tenfold Shield – Official Launch (August 2025 – January 2026)

Peaceful Operation Tenfold Shield: Standing Up the First Ten in Defense of the Land and Soil is now officially activated by the Peacekeeping Task Force (PKTF) under direction of the Federation's Standing Readiness Agenda. The Pilot will operate from August 2025 through January 2026, with the goal of equipping up to ten American State Assemblies to reach Standing readiness, with an operational focus on:

- Development of the Assembly Militia Pillar
- Establishment of lawful State Border Defense concepts
- Readiness of internal Public Safety Committees

This effort is conducted in active support of the Federation Fiduciary Office and assisting the Continental Marshals Service, with PKTF leading enhanced vetting and scheduling for nominated State Co-Coordinator positions focused on Militia-related functions.

Nominations must come from within the Assembly's currently active Coordination Team, and must be made aware to at least one other existing or acting State Coordinator prior to the vetting schedule to ensure leadership cohesion balance and aligned effort across all four Assembly Pillars.

#### II. Guidance for Participation – Vetting of Militia-Focused State Co-Coordinators

As part of this initiative, the Peacekeeping Task Force will be dedicating a significant portion of its upcoming Training Days and Coordination Schedule (August through October 2025) to

vetting new State Co-Coordinators who are nominated to focus on Assembly Militia development as part of this Pilot.

If your State Assembly currently has only one Coordinator, please begin discussions regarding the nomination of a second Co-Coordinator to take on this role with a Militia-focused designation.

If you already have multiple Coordinators, and one of them may shift focus deliberately onto Militia advancement and associated functions, then that person may be submitted for vetting under this initiative. Likewise, if your Assembly is considering appointment of an additional Co-Coordinator to focus on this area now, this is an appropriate opportunity to initiate that review.

We are asking all PKTF Assembly Liaisons and Liaisons-in-Training to clearly present these criteria back to their Assembly Coordination Teams or relevant working committees so this option may be evaluated and acted upon in alignment with the Federation-wide schedule.

### III. Vetting Panel Protocol – Scheduling & Oversight

Nominees for the Pilot Program will be scheduled over the next several months based on their Assembly's readiness to nominate a Co-Coordinator dedicated to Militia Pillar development. Our Staff would like to have all 10 State Assembly Co-Coordinators joining in the Pilot within the first 60 days of the 180 project if possible. As part of the Pilot, vetting for this effort has already been factored in as part of the strategy landscape, so there will be no time lost resulting from vetting timeline scheduling preoccupations.

Each vetting interview is conducted by:

- A minimum of two qualified PKTF team members, which may include:
  - Executive Director
  - Assistant Director
  - Affiliate Director or Executive Secretary Director (as available)
- If only one Director is available at the scheduled time, a vetted PKTF Assembly Liaison-in-Training from another State may be appointed as the second panel member

Training observers may also attend in blind capacity for future readiness evaluations but do not contribute to the candidate assessment.

### IV. Post-Interview Protocol – Transparency and Governance Oversight

All sessions are followed by a recorded deliberation, and results will be shared with:

- The nominated Co-Coordinator (interviewee)

- The appropriate State Vetting Committee Chair, or if none exists, the Marshal-at-Arms

As a measure of secure oversight, a copy of the full vetting session and decision report will also be forwarded to the Director of the Military Affairs Liaison Office through the Federation Fiduciary Office.

Successful vetting of a Co-Coordinator under this Pilot activates the Public Safety Committee process within that Assembly, forming a permanent, year-round body that remains on-call, even outside of formal Assembly sessions.

#### V. Committee Infrastructure – Committee of the Whole

Each Assembly advancing into Standing under this Pilot is expected to either develop or affirm the following Federated Standing Committees, together known as the Committee of the Whole:

- Oversight Committee
- Ombudsman Committee
- Sessions Committee
- Public Safety Committee

The Public Safety Committee, in particular, supports Militia reporting and readiness strategy, handles jury pool preparation for the Jural Assembly, and helps facilitate Reeve (Soil Sheriff) nominations at the County level.

#### VI. Interim Documentation Requirements – Status-Correction Processing Delays

To accommodate current backlogs with Credentials Cards due to Land Recording Office delays, the Federation has approved the following documents for interim clearance and vetting scheduling:

- A digital copy of status-correction packet
- A recent background check
- Completion of one PKTF Staff pre-interview

This protocol allows designated Liaisons and Co-Coordination-in-preparation to proceed through review without holding Credentials Cards in hand, pending final publication.

#### VII. State–County Liaison Flex Coordination

PKTF now recognizes both State and County-level Liaisons as valuable contributors to the lawful Assembly structure. Coordination across these levels may be interchangeable or joint, based on local needs and approval by each General Assembly. This flexibility provides responsiveness to developing regions or low-volume jurisdictions.

If your Assembly foresees expanded participation needs at the County level, please include those considerations in your outreach planning as you deliver this message.

#### VIII. New Authorization Form – Liaison Access & Credentialing

The Assembly Liaison Service Authorization Request Form is now available as a fillable PDF and will be officially distributed to each designated PKTF Staff member during our August 9, 2025 Training Day.

This form enables:

- Enrollment into the Common Access Badge system
- Controlled entry into the PKTF protected staff listing
- Procedural confirmation of a Liaison's role under authorized PKTF endorsement

Please be prepared to submit this form as soon as it becomes available for access control alignment.

#### IX. Action Items for All PKTF Assembly Liaisons

To all Liaisons and Liaisons-in-Training reading this transmission—thank you for your continued dedication to foundational, peace-focused internal structure. As we launch Peaceful Operation Tenfold Shield, we ask you to take the following immediate actions:

- ☒ Begin the conversation within your State Assembly to identify a nominee for Militia-focused State Co-Coordinator vetting
- ☒ Circulate this announcement to your Assembly Coordination Team and Standing Committee leaders
- ☒ Ensure your own vetting documentation is current (status packet, background check, pre-interview participation)
- ☒ Consult with Assembly leadership regarding potential County-level Liaison needs or role extension
- ☒ Prepare to receive and submit your Service Authorization Form during the August 9 Training Day

We are grateful to each of you for answering the call to stand in lawful service to the land and to the people of your home Assembly. This is the time to build, to clarify responsibilities, and to prepare for stable Standing across all ten pilot States.

The Peacekeeping Task Force is honored to walk this trust with you.

In foundation and lawful service,  
Joseph Hayse
