Basis this meeting being a trial of both the Brave Talk software and my Starlink system's bandwidth, I take away the following conclusions: I can stream video in meetings; however, it is best kept to low-demand files like the Natural Law presentation. Videos that tax graphics capabilities like the closing video I shared (The Frayed Angels) are not suited to streaming display on my system - playback was choppy. Folks who want to view that video can find it here:

- Litigation Committee: (paTricia) The Thursday calls & past trainings provide specific simple processes. Silver bullet: paTricia mentioned this on our last Business Meeting. This process is currently being tested and is available here:
<https://gofile.me/756sV/DABgVr5Sq> password: Court4us Due diligence on one's part must be performed before access to trial by jury of one's peers. If you haven't sent your CIC/NOL you should include the Consular General because we are foreign ssovereigns in relationship to their US government. Consular General as of March 6th is John Armstrong, Senior Bureau Officer care of US Department of Consular Affairs, care of 600 19th Street Northwest Washington District of Columbia 20036. International Business Assembly: Next meeting 15th of October after the Militia Meeting. All State Citizens are requested to attend. Please let me know if you can't attend but would like to remain active on The Nevada Assembly. Suebh@nevadaassembly.org

Coordinator Update:

- Nasty message to Anna by "The Nevada Assembly" posted on Paul Stramer. Sue clarified this was not sent by Sue or anyone who is an active member of The Nevada Assembly. This was fraud and impersonation. Link: <http://www.paulstramer.net/2025/09/september-23rd-2025.html>
- Anna Notice Vote results, current updates, and what you can do. The Notice was approved by a vote of 16-0-2. Sue sent an email with the latest updates Sunday September 29.

Do we want to do another donation to Anna? The Assembly approved sending a donation of in the amount of \$500.00 (9-1-2). Brian sent the donation. - Apology to the Assembly: We had an International Business Assembly Meeting scheduled for 7 pm after the September 17 Jural Assembly Meeting. I forgot to start that meeting after the Jural Assembly meeting. I'm sorry for that. We are overdue for a IBA meeting so let's figure out a convenient meeting time. 15th of October, 2025 after the Militia Meeting.
- Meeting Platform: Should we switch meeting platforms to allow everyone to be on camera? If so: Do you prefer Zoom or Webex? Will the assembly reimburse for the cost of Zoom or Webex? Please provide input before our next business meeting.
- Meeting Topics for the upcoming General Assembly Meetings: Top 3: (preparedness was in the top 3 but this topic is currently being addressed in Militia meetings) Smart Meters, Homesteading, Health. Each of these topics will be discussed on the remaining 3 General Assembly Meetings. If you have input or would like to present on these topics, please let me know.

Other important Items:

progress and a variety of other important topics. Link: <http://www.paulstramer.net/>

- Priorities: Focus on build-out of our four state pillars, such as outreach, process development, position development, volunteering for committees that support our four pillars.
- Spreading rumors, posting inflammatory rhetoric on public forums, making accusations without evidence, and name calling are not in keeping with our Nevada Assembly values. We are focused on building our four pillars.

Adjourned until next meeting on October 22nd, 2025 at 6pm.
