

## **Nevada State, Union State, Counties**

**meeting 1-4-2026. From 4:00 p.m. to 8:00 p.m.**

The Union State Assembly wants to thank everyone who showed up for the in-person meeting yesterday and thank Rockie for setting this meeting up and providing the food for us. It was a great success. It was a great way to start the New Years! Seeing each other, mingling and meeting new people. Thank you!

The in-person meeting started at 4:00 p.m. with Rockie updating everyone on the Rules and Décor of the meeting and food was served. Keith's wife, Christine, opened the meeting in prayer. There were 31 people in the in-person meeting. Rockie went around the room for everyone to say their name and where they were from. We had people from Clark Count, Nye County, Lincoln County, 1 from Utah, and from California. Rockie also informed everyone to take home any food they wanted after they were done and leaving the meeting.

The goals in the meeting were for everyone to get together and talk with each other to help with committee communication etc... to help with being more comfortable talking about anything that needed to be worked out on committee.

The next topic was to let everyone know where the assembly needs to go. Rockie talked about getting the Jural Assembly up and running and how we still need Justice of the peace, court clerk, and the record keeper, and so.

At 5:00 p.m. Rockie started the online aspect of the meeting and read the Bevan's and started the meeting off. Rockie started off by checking to see if Sue had joined the meeting and did not see her on the meeting so informed everyone that we would not be able to get the "State of the Union" information and would need to wait for Sue to announce where she is going to take the "State of the Union" for 2026.

Rockie went on to explain the "Union State" goals for the year 2026. We all need to get together and build the Jural assembly and start filling the positions and get everyone trained on the work they needed to do. We also talked about how or when we could get funded and how that would be key in helping us take decisive actions in helping build the Jural Assembly and Government Established.

Rockie talked about the Vendor accounts in GFG where there was the first wave of accounts open on 12-11-2025. There will be a second wave opening soon. After this we should see our GFG accounts open so we can use it with the vendors.

**At about 5:30 p.m. the online meeting was adjourned, and the in-person meeting went on to about 7:30 p.m. where we all started cleaning up the restaurant.**
