Meeting link is : <https://join.freeconferencecall.com/rockier>

In that time if we can get Sue to come into the meeting to address where the "State of the Union" is and where she will be taking it in 2026. We would like to know what Sue needs to help her build the "State of the Union". Rockie will then address where the Union State and the Counties are going to focus on in 2026. This is your assemblies and we need all of you to help if you can.

If you did not know 2025 was the end of a 9-year cycle in our world and 2026 is the start of a new 9-year cycle. Please let's start this new cycle off in a big bang and get our assemblies up and running.

This meeting is a "get to gather" and it is to be fun and the place for us to get to know each other. We will not have at any time in the 4 hours any attacking or trying to derail the meeting. If you are online, you will be muted and if you are at the in-person meeting you will be asked to leave.

You do not need to be at the meeting for 4 hours. If you can come for only 10 minutes or the whole time, please, come and get something to eat and meet some of the people in our assembly. I do need a head count to give to the restaurant.

Ok on the food part of the meeting.
